Submitting Key Assessments in TK20 (university web-based assessment system)

Click on **Courses** in the left margin.

Click on EDU102 Introduction to Education in the center of the next page.

Click on the Activities tab near the center of the next page.

Select "EDU102 Dispositions Self-Evaluation".

On the right side of the next page Click Select next to 'Dispositions Self-Evaluation'.

A form will appear that you need to complete. Leave the title and description as they are.

In each of the four categories, rate yourself on each of the disposition indicators then write a brief response to the prompt.

After completing the self-evaluation form, select **Add** at the bottom.

Then in the next page select '**submit assignment**' to complete it.

Submitting Field Experience Forms in TK20

Click on **Field Experience** in the left margin.

Select EDU111 OP I in the center of the page.

Click on OP I Portfolio tab in the center of the page.

You will see three tasks that you need to complete for this Field Experience.

Click on Select next to the "**Student Evaluation of Field Experience**".

This is a form that you need to complete regarding your practicum experience.

You do not need to change the title or add any description. You do need to fill out the

"Box #" question with any number. It doesn't matter, but the box does need to be filled to submit.

Complete the form and select 'Add' at the bottom.

When you are back at the Portfolio page, click on Select next to the **Time Log**.

You will upload a Word document or PDF document of your time log by choosing 'Select

Files' at the bottom of the page. Then select 'Add' at the bottom when you're done.

Click on Select next to the "**Teacher Interview Questionnaire**".

This is a form that you can complete during the interview or complete after the fact.

You do not need to change the title or add any description.

Fill out the form and select 'Add' at the bottom.

Remember to select 'Submit' when you have completed all tasks.

Contact Megan Marentes
(mmarentes@corban.edu)

if you have difficulties with TK20 functions.
