

COOPERATING TEACHER TRAINING CONFIRMATION

General Information

Custom Form

Preview**THANK YOU!**

We sincerely appreciate the time you give to our Teacher Candidates, and understand that completing forms can be tedious. THIS ONE, however, is short and sweet and confirms that we are complying with Oregon's new law requiring training for all Cooperating Teachers. And even though this is at least partially about 'complying' we are confident that the training is valuable as well - so that each of you can bring your best to the role.

The first element of CT Training for those working with Corban students is your initial 3-way meeting with the Teacher Candidate and University Supervisor. Beyond that, there are a number of options as you see listed below. If at any time you have questions about any of these forms in TK20, please feel free to contact Roy Bunch (Assessment Manager for Education and Ccounseling) at rbunch@corban.edu, or Kelli Bennett (Placement Coordinator) at kbennett@corban.edu.
